

### Staff Announcement

We would like to take an opportunity to introduce Charles (Chuck) Lovallo as the latest addition to Themis Security Services. Chuck has joined Themis in the capacity of Business Manager and Administration Officer.

His extensive public service, as well as experience in the private business continuity, emergency response consultation sector and the establishment of a number of new business ventures, brings a supplementary skill to the company. "I find the work, especially the innovative concept of community security that Mirko has successfully implemented, a welcome addition to Victoria."

Over the next couple of weeks, we will introduce you to our new service that we have been working on. We hope that this will further enhance and improve the safety and security of your business, property and offer a safer work environment.

Chuck can be reached at [c.lovallo@themispro.com](mailto:c.lovallo@themispro.com)

*As part of our downtown street patrol, Themis Security's Steve Matthews can be found assisting merchants, residents and others on regular basis.*

### Themis Security Officer Assaulted

A female was loitering and trespassing on private property on Gorge Road and started to kick and punch the side of our mobile vehicle as it approached a group of individuals. Seeing how there were a number of individuals and the situation was becoming unstable, our security officer decided to withdraw and contact VicPD. A VicPD canine unit did respond but was unable to locate the female. A side mirror was damaged, which occurred when the female suspect kicked it.

Fortunately, our security officer did not sustain any injury and was able to finish the rest of his shift.

On March 19th, we will be participating in a job fair hosted by GT Hiring Solutions/WorkBC at Central Baptist Church on Pandora Avenue from 10:00am to 2:00pm. We are excited to be a part of this event and wish to extend thanks to Garth Yoneda of GT Hiring Solutions for his invitation. Come and check it out!

## New Clients

*Stewart Johnston Law Corporation*

*Amelia Street Artists*

Stats for February, 2015

Calls for service 22

Number of encounters 75

Calls for assistance (ambulance, fire, police): 0

### EXPANSION OF STREET PATROL

In January, we expanded our street patrol. We now offer day time street patrol between Cook Street and Blanshard Street. Our street patrols currently operate seven days a week for both down town and Cook and Blanshard. Current clients can contact us from 10:00am to 6:30pm for service at no cost. Our Mobile Patrol take over from 6:30pm and will ensure that your properties continue to be safe.

As we add to our client base, we will expand our hours of service. The goal is to add 2 staff street patrol from 7:00pm to 11:00pm.

We appreciate the support of all those that have referred other businesses to us. If you feel that our service can be of benefit to others, please contact us. The more properties that are part of the safety and security program, the more effective we can be.

## Graffiti

We are starting to see more and more of the above type of graffiti around town. It is usually accompanied by a number 14 or Roman numeral IV.

Norteños gang is a Mexican-American street gang with a presence in the federal prison system in California. It has not been confirmed that the individuals that have been identified as members of this particular gang are imitators or a legitimate branch of the US gang. Either way such vandalism and damage to the property is unacceptable and all efforts should be made to remove this and any other graffiti from the property.
