WE ARE EXPANDING!

Themis Security is pleased to announce that we are expanding into Nanaimo and surrounding areas.

You can expect the same level of dedication and hard work as we make this move to expand our client base and create a larger presence on Vancouver Island.

If you or someone you know would benefit from our services in Nanaimo, please contact us.

VIDEO MONITORING COMING SOON...

As technology changes, so do the needs of our clients. At Themis Security, we are excited to take on a new challenge and introduce our own video monitoring system. This can be added on for another level of security or as a stand-alone service.

We can offer 24-hour monitoring for your property or construction site. Our competitive pricing and ability to deploy guard service is what sets us apart from other security companies.

With our remote video monitoring, you will receive the same dedication and reliability that you have come to expect from Themis Security.

DOWNTOWN FOOT PATROL PROGRAM

Themis Security started an innovative downtown patrol program in Summer of 2013. Since then we have expanded to the Harris Green neighborhood.

We want to thank those businesses for trusting us to help keep downtown Victoria vibrant, prosperous and safe. We look forward to another year in this successful partnership.

Cam and Patrick on Downtown Foot Patrol

“I would highly recommend Themis for your security needs”

– Shelley Parker, Malatest and Associates

WHY YOU SHOULD MAKE THEMIS SECURITY YOUR FIRST RESPONDER TO ALARMS

Your property is most vulnerable when it is unoccupied. The problem may be as simple as a false alarm, but that alarm could also signal a serious security breach. Themis Security’s alarm response and key holding service can help keep your colleagues, property and crucial documents safe. We work with all the major alarm monitoring companies and can be the first call in case of an alarm at your property, thus keeping you and your staff safe in the event of an emergency. We have mobile patrols available 24 hours a day. If you would like to make us your first responder, this additional feature can be added on to your existing service.

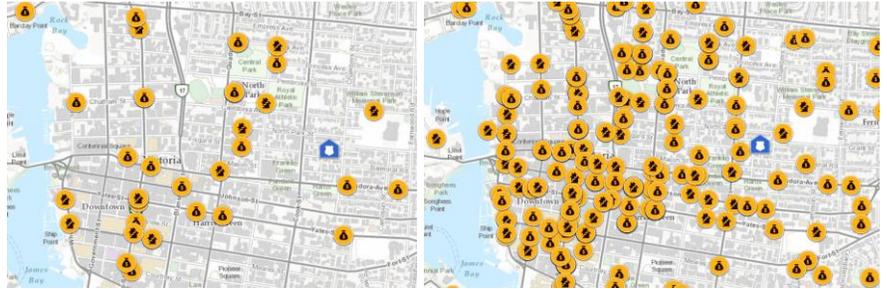

Protecting what matters to you.

CRIME STATISTICS IN YOUR NEIGHBORHOOD

Below are two crime maps depicting calls to VicPD for property damage and theft. The map on the left is one week in October, the map on the right is for the whole month. These graphics can help give you an idea of the amount of crime that is happening on a daily basis in our city. The need for additional security for your businesses is at an all-time high and Themis Security is here to help.

WE WELCOME OUR NEW CLIENTS

We would like to offer a warm welcome and a sincere thank you to Pemberton Holmes Property Management and GT Mann Contracting for letting us help keep your properties safe and secure. We would also like to welcome The James at Harbour Towers apartments in James Bay and the historic Carnegie Building in downtown Victoria. These new additions help us expand and help better serve the surrounding community.

We would also like to thank Townline Construction for the opportunity to continue to work with them and their team at the new Hudson Place Two project. Thank you for keeping us in mind for your security needs!

THEMIS SECURITY JOINS THE CHAMBER OF COMMERCE

Themis Security was founded in 2010 and has become a highly regarded security provider serving the greater Victoria area. We are growing at a rapid rate as the needs for security are changing while our beautiful city continues to grow.

We have recently joined the Victoria and Nanaimo Chambers of Commerce and we are looking forward to the year ahead with our existing clients and many more to come. Thank you for your continued support!

Protecting what matters to you.
