

Monthly Newsletter – January 2021

WE HAVE MOVED!

Themis Security is happy to announce that we have opened a new office. This is where our administration staff will be working from moving forward.

We would like to thank Fraser Campbell at TPM Properties for assisting us in finding this space. We also have a new contact phone number for inquiries regarding accounts and invoicing: 250-590-4177.

Please update your records to reflect our change of address to:

775 Market Street
Victoria BC
V8T 0B4

LIVING WAGE EMPLOYER

Themis Security is proud to announce that we are in the process of becoming accredited as a Living Wage Employer by the Living Wage for Families Campaign. This is incredibly exciting for us at Themis as we are the first security company in Victoria to take active steps to meet the living wage.

This campaign is working with businesses to implement a living wage for all employees to help address poverty in our community. For more information on this campaign, please visit their website [here](#).

CONCIERGE SERVICE

Although it is not possible or practical for each and every property, Themis Security can provide concierge service that not only improves security but also provides a professional appearance with a personal touch.

Our staff can assist residents with a variety of services that include verification and access control for visitors, monitoring security cameras, foot patrols of buildings and parking lots, amenity reservations and emergency response. Before we commence with our service, an audit and security review would be performed, and site orders issued. Strata council, owners and property managers would receive a copy of this detailed report.

If you would like more information on our concierge service, please call and we would be happy to answer any question you may have.

“(Themis) took the time to thoroughly understand my situation and formulated a comprehensive plan to fit my specific needs.” – Elizabeth, alarm response client

We would love to hear from you! Please feel free to leave us a review on [Google](#).

CRIME STATS FOR JANUARY

Below are two crime maps depicting calls to VicPD for property damage and theft. The map on the left is for the week of January 3rd to 10th and the map on the right is for the month up to January 19th. These graphics can help give you an idea of the amount of crime that is happening on a daily basis in our city. The need for additional security for your business is at an all-time high and Themis Security is here to help.

SAFETY TIP OF THE MONTH

With an increase in property crime, theft and B & E's over the last few months, we would like to give a brief overview of measures that can be implemented to address those concerns. This particular segment will feature condominium safety and security. With proper security, residents can feel safe when they are home and also know that their property is protected when they are away.

- Remove valuables from your business, where possible, when you close.
- If you cannot remove valuables or merchandise, move it out of view from all windows.
- Empty your cash drawer and leave it open, clearly displayed in the window.
- Install a camera system with good resolution that captures all areas of entry – Themis Security can assist with installation and setup.
- Review your alarm company contact information – add Themis Security as your primary responder in case of an alarm for rapid response.

Themis Security is always standing by to assist you and ensure that you, your family and employees feel safe.

Themis Security can provide a security audit for your business, condominium or local community to highlight any deficiencies or vulnerabilities. We have been providing neighborhood street patrol since 2013. If you would like assistance in organizing a neighborhood patrol, please contact us at 250-590-4177 or info@themispro.com

If you have information regarding break and enters or other crimes, please call VicPD Report Desk at 250-995-7654 ex. 1 or download the [VicPD Connect App](#).

MONTHLY FEATURE

Each month we would like to feature a client to show our appreciation for trusting us to provide their security. This month's feature client is Townline Construction with the Hudson District Project. Themis Security has been servicing this property since 2017. We thank you for your continued support and we look forward to many more projects with you!
